President's Message

As I'm writing this it is early May and we haven't yet seen a tractor in the field. Harvest- harvest festivities- and the Thorndale Fall Fair seem so far away. I know that as soon as I blink September will be here!

In the spring farmers plant hope in the form of seeds. Hope for a good growing season, warm weather, sufficient rainfall, and hey - hope for no rain when the kids have sports tournaments! We are watching, waiting, hoping that the fall will produce abundant yields, and a reason to celebrate.

We on the Thorndale Agricultural Society are also planting seeds of hope in the spring. A successful fall fair counts on hard work behind the scenes- contacting sponsors, updating the prize book, booking acts and reaching out to community partners- all in preparation for that magical weekend in September when all of Thorndale and area comes together to celebrate US!

If this will be your first Thorndale Fair or your sixtieth I know you will find something that will make you smile, make you wonder, or make yourself just a little bit smarter. If you have never visited the Thorndale Fair before I encourage you to make THIS year the year to attend! There is something for everyone - animals to ooh and ahh over, great food, wonderful displays of sewing, crafting, baking, and photography, tractors, music, midway and kids entertainment. Peruse this book with your kids and find something for THEM to enter in the School Fair Division. In fact why not make this summer the season to unplug a little bit from your devices and discover what every family member can enter- a little competition is a great thing!

If you see a volunteer at the fair please take a second to say thanks. They work tirelessly throughout the year so that you can have a great fair experience. If you would like to be one of those volunteers, we would love to talk to you. Whether you have an hour to help out working at the gate or just want to get involved in any other way we would love to hear from you!

I look forward to seeing you all this year at the Fair!

Thanks for attending!

Connie Bontje, 2019 Thorndale Agricultural Society President

Homecraft President's Message

There are a few guarantees in life - one I am happy to report is that the Thorndale Fall Fair will arrive again in September! I am honoured to welcome you to the 162nd edition of this wonderful community event.

I hope that you are able to join us on Friday night for the opening ceremonies, which includes watching the Ambassador program and hopefully placing that winning bid on your favourite kind of pie during the auction. Other guarantees during the fair includes the popular 'Cookie Corner' hosted by the Homecraft committee, the numerous and wonderful exhibits entered by our community members, and visiting with the 'Crafters' while they demonstrate their talents and goods.

Thank you to all the exhibitors, Homecraft Committee Members, and the many volunteers that make our fair a reoccurring success! *See you at the Fair!* - **Lynndsay DeClark, Homecraft President**

Ambassador's Message

It is my pleasure to welcome friends, neighbours, the Thorndale community & surrounding area to this year's edition of the fair book and invite you to attend the 162nd Thorndale Fall Fair this upcoming September 20th-22nd! It's hard to believe almost a year ago I was attending the Showcase & Opening Night of the Fair, Awards Ceremony and Ambassador Competition. I was welcomed into the Ambassador Program by past 2016 Ambassador & Ambassador Committee member, Bridget Heeman. As I was the only candidate, my journey began on a unique path - I provided an introduction speech about who I am, what I'm currently doing and why I wanted to represent the Thorndale Fair. I was lucky enough to be sponsored by the Thorndale Horticultural Society and would like to thank them for their support throughout this past year.

It has been an amazing time as Ambassador, packed full of events at the fair - such as judging the cutest babies & picking my favourite car, meetings, concerts; you name it! I had the pleasure of meeting all the District #13 Ambassadors in mid-November during our biannual meeting, joined members of the Thorndale Horticultural Society for Christmas dinner, rode in the Lion's Christmas Parade, attended opening night of "Lend me a Tenor" Dinner Theatre & the Ontario Association of Agricultural Societies 2019 Convention.

Throughout my experience being the 2018 Thorndale Fall Fair Ambassador, I've had the opportunity to meet many like-minded individuals from my surrounding area, and across Ontario, that have similar experiences, aspirations & goals. While also being able to understand more about our small town community & the importance of agriculture!

Thanks to the iLoveThorndale organization, I'm also looking forward to attending the 2019 Community Foundations of Canada conference being held in Victoria, BC from June 5th-8th. I will be 1 of 30 youth delegates, specifically on behalf of London Community Foundation, as a part of the RBC Future Challenge for youth leadership & initiatives in small to mid-sized communities, continuing to represent Thorndale across the country! Other notable events will be the Ambassador Day, June 22nd in Forest - where I will get to re-visit Ambassadors from District 13 & prepare for our time at the CNE! The Back Forty Bash happening at the end of July, hosted at the Fair Grounds! But, most importantly, I can't forget about the CNE in August - which will mark the end of my fun & event-filled year.

I'd like to thank the Thorndale Agricultural Society, the Executive & Ambassador Committee, & iLoveThorndale for guiding me along this journey, and for providing myself with opportunities I'd never thought I'd be lucky enough to experience! An honourable mention to Laura Langford & Norma Poel for all the support and encouragement this past year - I couldn't have done this without either of you! I've gained so many great friends, life skills & opportunities since being apart of the Ambassador program... if you or someone you know is interested in entering, please feel free to contact myself directly through the Ambassador Facebook and/or Instagram page, or any other committee members.

With the 2019 Thorndale Fall Fair quickly approaching, I hope to see you all there! - **Emma Jayne, 2018 Thorndale Fair Ambassador**

13. While the Committee will take every precaution, under the circumstances to secure the safety of animals and articles sent to the exhibition, they wish to be distinctly understood that the owners themselves must take the risk of exhibiting them; and that, should any animal or article be accidentally injured, lost or stolen, the Committee will give all the assistance in their power towards the recovery of the same, but will not make any payment for the value of the same.
14. 15% deducted from all winnings in Heavy Horse Show & Purebred Haflinger Show - 10% Homecraft & other classes. Except Poultry, in which case, fee is \$1.00 in each class. 15. Prize money will be withheld if exhibitor does not have a number.
16. Judges have discretionary power to withhold prizes and to rule out animals or articles that are not in their proper class.

The exhibitors placing in the Breeders Herd class will break a tie. If a tie remains, then consideration will be given to: 1. Placing in championship classes and 2. Exhibitor with the least number of entries receiving points.
27. The Electrical Safety Code Ontario, regulation 10/91, requires that all electrical equipment must be approved before it may be lawfully advertised, displayed, offered for sale, sold or otherwise disposed of used in the Province of Ontario. It is therefore the responsibility of each exhibitor to ensure that all electrical equipment in, or about, their booth comply with the above regulation. This includes the electrical merchandise as well as lighting and display equipment. Should any of this equipment not conform, it is recommended that you request temporary permission to exhibit while the necessary approval certification is being sought. Please write directly to: Hydro One, 1075 Wellington Rd. S., Unit B1, London, ON, N6E 1M1, 519-681-4565, or the appropriate inspection department for the area you will be exhibiting in. Any questions concerning regulation for booth wiring should be addressed with Hydro One (above address - London). Failure of Electrical equipment to comply with the safety code requirements can result in the equipment being refused connection to the source of electrical supply, and it may be ordered removed from the display.
28. Entry fees paid to the Thorndale Agricultural Society will be used for the payment of prize monies at the Thorndale Fair.
29. When an exhibitor signs the entry form, the exhibitor shall indemnify and hold harmless the Thorndale Agricultural Society, their members, agents and employees from and against all claims, demands, losses, costs, damages, actions, suits or proceedings by any third parties that may arise out of, or may attribute to, all operations performed by or carried out by the exhibitor, his agents, employees, servants or anyone for whose acts he may be held liable, howsoever caused.
