President's Message

Welcome to the 165th Fall Fair!

When I sit back and think on this year's fair theme of Homegrown and Homemade nothing seems to represent the Thorndale Fair more for me than these words. Thorndale is full of unbelievably talented individuals who spend weeks (or months) growing, canning, baking, stitching, photographing – putting their hearts and souls into their fair entries, making things from "scratch" and sharing them with the community.

Growing up fair weekend was always a favourite for me- meticulously planning and preparing my school fair entries weeks in advance, excitedly waiting to see which rides the midway brought, catching candy during the parade, sampling every food booth over the weekend- loving all the sights and smells of the fair! I've been attending the Thorndale Fair for 36 years - I attended my first Thorndale fair at only 10 days old in the fall of 1985 and haven't missed a fair weekend since. The Thorndale fair continuously evokes the feelings of days gone by, uniting young and old alike, bringing out the child in all of us - I know as soon as the fairbook arrives in my mailbox I can't help but feel excited at the anticipation of another fair weekend - seeing neighbours, catching up with old friends back in town for the fair, tasting all the treats and admiring all the handiwork.

Our fair is only made possible by the amazing community sponsors and volunteers who give tirelessly - they deserve a huge thanks for all they contribute, not just on fair weekend, but throughout the year. Thorndale truly has the best residents and I'm so proud and thankful to work with all of you on the fair. One must only walk through the grounds to truly appreciate the effort that goes into this event!

Looking forward to seeing everyone out and about fair weekend- I can't wait to celebrate all the *Homegrown and Homemade* treasures our town has to offer on fair weekend!

Amanda Elliott, 2022 Thorndale Agricultural Society President

Homecraft President's Message

Fair time has finally arrived, and I am so grateful. We hope this year brings a return to a jubilant fair time whereas has been tradition, friends and neighbours, pets, and babies, all congregate at the fair grounds to celebrate traditions, our community, our agriculture and perhaps this year our resiliency.

Our committee and volunteers have been working hard in new circumstances and physical space to bring you the comfort of all that is familiar and nostalgic: the school and youth fair entries with their Lego creations and unusual vegetables; the quilts and crafts; and the prize-winning pies and tarts. I also expect you will find joy in the new, the unexpected and the re-imagined.

I am extremely proud and grateful to all the members of this committee for their hard work, supporting each other this year through changes and challenges. Teamwork is what makes this fair possible, and this year it is amazing to see the dedication of many to bring you a fair with all the exhibits and displays you long to see. Thank you to everyone entering their baking, handiwork, produce and crafts as we would not have a fair without you.

I hope to see you on Friday night bidding on a prize-winning pie or perusing the new homecraft displays in the community centre gym throughout the weekend.

We are a resilient and caring community, affirming our past and I hope, open to a bright new future of possibilities. Here's to another 165 years.

Louisa Bestard Denomme, Homecraft President

Ambassador's Message

I am very honoured and excited to welcome friends, family, and neighbours, new and old, to this year's Thorndale Fall Fair! This year as the Thorndale Fall fair ambassador has been full of new friends, experiences, and memories that I am excited to take with me for the rest of my life.

It's impossible to believe that this year as ambassador has gone by so quickly. This year has been full of adventures and the feeling of being more connected and involved in this small-town community. Although my year missed out on some of the "normal" events such as the Demolition Derby, the Thorndale Dinner theatre, and the Lions Winter carnival it's been a blast, nonetheless. I've been overjoyed to attend the first year of the I Love Thorndale obstacle course and the Christmas Village,

along with both of those I was able to kick off the Lawnmower Races with the ambassador of the past two years, Patrick and go to the OAAS convention in Toronto. Representing Thorndale in all these events has been a dream come true. It has opened my eyes and mind on how much goes on in this small village I am happy to call home.

This amazing dream would not be possible without the support of my family, friends, sponsors, and the Thorndale Community. A huge thanks goes out to my family and friends that have given me constant support through this entire year, with their constant kindness and faith that I could do this. From the start of the competition, I have been welcomed with open arms to the fair board, this group of people dedicate their time and energy constantly to make sure this fair is the best it is every year. Thank you to this amazing group of people for the many words of encouragement and wisdom, the support and all the guidance that I will take on forever. I would also like to thank the Thorndale Optimist club for being my sponsor, it was amazing being able to represent your organization. I would not have been able to do this without every single one of you.

To anyone considering entering the 2022 ambassador program, I say do it. The experience, the friends, and memories are something I wouldn't find anywhere else. This year has been a dream come true and I would highly recommend doing this and I would do it again in a heartbeat.

Thank you again to the Fair board, the Thorndale Optimist, and to the support of the entire Thorndale community for this amazing year. It has truly been a remarkable experience and I will cherish every moment and friendship forever.

Melanie McCallum, 2021-2022 Thorndale Fair Ambassador
